

Call for applications for the UCA^{JEDI} Advanced Research Program 2021 External campaign

As part of its **Advanced Research Program**, Université Côte d'Azur is launching its 4th call for applications from researchers, faculty and artists coming from outside Université Côte d'Azur site for **research grants** aimed at supporting original and very high-level disciplinary research in all scientific and artistic fields represented at Université Côte d'Azur.

Who is this for?

This call is aimed at **external active lecturers and researchers**, having at least the status of *maître de conférences* or *chargé de recherche* (or equivalent), **as well as artists** on the basis of a research project in art and creation. Post-doctoral fellows and professors emeriti are therefore not eligible. Also excluded are artist residencies whose objective would be an artistic production that is not strongly linked to a research project.

The grants of the Advanced Research Program are intended for external researchers, lecturers and artists who wish to collaborate with groups at Université Côte d'Azur. The objective is to bring to the laboratories and groups of Université Côte d'Azur, and for a moderately long period (6 to 18 months), researchers and artists of a very high level, whose presence will promote our site and whose interactions with our teams will strengthen our research and creativity potential and significantly increase the reputation of Université Côte d'Azur. The fellow's stay could also help to prepare for future recruitment.

What is the nature of the grant?

- Operating expenses : 800€/month
- Salary provided between 3 500€ and 5 500€ monthly net (after deduction of social and employer contributions).

The salary will be adjusted on a case-by-case basis, depending on the experience level of the guest.

The guest will also benefit from the reception facilities typically offered by IDEX UCA^{JEDI} (Welcome Center, Faculty Club, schooling of children in international class for one-year stays).

In exchange, the fellow undertakes to give seminars and/or courses and to include Université Côte d'Azur in his or her signature for any scientific work carried out as part of the grant.

- Duration: the duration of the award will be between 6 and 18 months.

Application procedures:

The application process will be carried out in two stages:

1. Submission, by the candidate or by the person who invites him/her, of a file on the Nuxéo platform : https://nuxeo.univ-cotedazur.fr/nuxeo/nxdoc/default/7539eb43-2f7f-4b78-a021-5c206c024a45/view_documents , **in the form of a single file in PDF format**, containing the documents listed in Appendix 1. This step will result in an initial selection and the establishment of a list of pre-selected candidates.

2. Oral interview by the members of the Program Committee (whose list will be communicated later) with the pre-selected candidates and the host, whose task it will be to defend the file of his or her candidate.

Selection criteria:

The selection criteria will be as follows:

- Quality of the candidate's CV,
- Scientific and strategic interest of the project,
- Quality of the interactions planned with Université Côte d'Azur host team and the precision of the medium-term prospects opened by the collaboration.

Candidates will select and highlight the elements of their CVs that demonstrate their scientific excellence.

Candidates must also undertake to reside on the Côte d'Azur during the collaboration period(s).

Calendar:

Distribution of the call for applications: February 2021.

Deadline for the submission of applications on Nuxéo: **May 31st, 2021.**

Period of oral interviews: **from the beginning of July 2021.**

Publication of results: by mid-July, 2021 at the latest.

Starting date of the projects : between Sept. 1st, 2021 and January 31st, 2022

APPENDIX 1: Preparation of the written file, which may be written in French or English

Reminder: All documents must be concatenated into a single file in PDF format

Curriculum vitae of no more than three pages in length according to the style sheet attached in Appendix 3, highlighting the elements that provide evidence of the candidate's excellence in relation to his or her years of experience. This 3-page CV will include the candidate's list of 5 major publications. Other publications may be included in an additional appendix.

Project description of no more than 5 pages according to the style sheet attached in Appendix 4, underlining its intrinsic scientific interest and its potential strategic interest for Université Côte d'Azur. In this description, the requested duration must be justified and the importance for the project of interactions with the host team must be explained. The bibliographical references attached to the project may be the subject of an additional appendix, of a maximum of one page.

Application form: see Appendix 2.

Letter of motivation of the candidate and **commitment to reside** on the Côte d'Azur for the duration of the collaboration period(s).

Letter of support from the host at Université Côte d'Azur.

Letter from the host lab/team director indicating its opinion on the application.

APPENDIX 2: Application form

NAME, First name	
Date of birth	
Home institution	
Professional status	
Laboratory or host team during your stay at Université Côte d'Azur (followed by the signature of the director)	
Length of stay requested	
Desired period(s) for the stay	
Other special conditions of the stay (to be specified: accompaniment of a spouse, enrolment of children in the international school or college, etc.)	

APPENDIX 3: Template for the Curriculum Vitae and the project

The main objective of this model is to provide the font size, line spacing and margins that facilitate the reading and standardization of the file length.

Titre 1

Standard paragraph: Lorem ipsum dolor sit amet, consectetur adipiscing elit. Sed non risus. Suspendisse lectus tortor, dignissim sit amet, adipiscing nec, ultricies sed, dolor. Cras elementum ultrices diam.

Titre 2

Standard paragraph: Lorem ipsum dolor sit amet, consectetur adipiscing elit. Sed non risus. Suspendisse lectus tortor, dignissim sit amet, adipiscing nec, ultricies sed, dolor. Cras elementum ultrices diam. Maecenas ligula massa, varius a, semper congue, euismod non, mi. Proin porttitor, orci nec nonummy molestie, enim est eleifend mi, non fermentum diam nisl sit amet erat. Duis semper. Duis arcu massa, scelerisque vitae, consequat in, pretium a, enim. Pellentesque congue.

Titre 2

Standard paragraph

List:

- Item 1
- Item 2
- Item 3
